

A Plan for the Safe Return to In-person Instruction and Continuity of Services

Coweta Public Schools is proud to have maintained the full opportunity for in-person instruction for all students throughout the 2020-21 school year. Thanks to the support of our faculty, staff, students, and community, we developed the Return to Learn Coweta plan in the summer of 2020 and with full consideration of public comment and feedback. We persevered throughout the year, despite the occasional setback, to keep students in school and to maintain open lines of communication with our entire school community. For the 2021-22 school year full in-person instruction is expected to continue, along with services, activities, and extracurricular programs. Plans will continue to be updated as necessary and posted on this website. This statement is meant to satisfy the requirements for accepting additional funds through the American Rescue Plan (ARP) and the Elementary and Secondary School Emergency Relief (ESSER) Fund.
