

September 24th, 2015

Dear Parents,

Heritage will have some major adjustments to the student pick up and drop off process starting Monday, September 28th, 2015. Please review the attached map that shows the new flow of traffic at HIGC. The old drop off lane will now be reserved for school bus traffic only during the hours of 7:30 am- 8:30 am and 2:00 pm-4:00 pm. Please, no cars should be in this area during these times. Car riders will be dropped off and picked up in the old bus loop, please see the map and pay special attention to the direction of traffic flow. There will be double stacked lanes in the afternoon for picking up students. We appreciate your patience and understanding as we work on the safest way for dropping off and picking up students.
