

Southside Elementary Patrons:

The information in this school report card reflects data from the 2014-2015 school year. The student performance section compares Southside Elementary students to the state average in reading and math for 3rd grade measured by the Oklahoma Core Curriculum Test.

I hope the community characteristics information for Coweta Public Schools is of benefit.

Sincerely,

A handwritten signature in cursive script that reads "Doug Flanary".

Doug Flanary
Principal
Southside Elementary
