Message from the Principal:

Northwest Elementary Family:

The information in this school report card reflects the data from the 2013-2014 school year. The student performance section compares Northwest students to the state average in reading and math for 3rd grade as measured by the Oklahoma Core Curriculum Test.

I hope the community characteristics information for Coweta Public Schools is of benefit.

The 2013-2014 school year has been a great year. Have a fun adventurous summer and best wishes for the next school year.

Northwest is simply the **Best!**
