

How to receive notification on student work and grades

www.cowetaps.org

Click on Parents

Click on Power School

Click on Power School Icon

Log in with ID & Password

1st screen is grades & attendance: while on that screen you can sign up to receive email notifications & you can access assignments with grades.

To receive emails: on left hand side of screen, click on email notification & choose how, when & what you want emailed to you.

To look at assignments: click on grades & attendance, then click on the grade given for the class that you want to see. Once you click on it, it will then bring up a screen that shows all assignments given to students & the grades that they received.
