

Coweta High School Gary Ellis, Principal

Pathway to Success Nights

Coweta High School will once again be taking an innovative approach to the traditional parent teacher conferences. On March 13 and 15, we will be hosting our annual "Pathway to Success" night. Our goal is to meet with all parents and their student individually to review their student's Pre-Enrollment course request for the 18-19 School Year. There are many Pathways to Success at CHS, from Advanced Placement classes, to concurrent college courses, to vocational technology classes. We have something for everyone! Parents and students will have an opportunity to sit down with a teacher and review their student's individual graduation plan. Administrators, counselors, and representatives from Indian Capital Technology Center and Northeastern State University will also be on hand to answer any questions. With help from your student our staff will be contacting you from 11:00-12:30 on Wednesday, February 28 to set a time for your fifteen minute meeting. Please mark your calendar for March 13 or March 15 so we can reach 100% participation. Students whose parents take part in the Pathway to Success night or conduct a Pathway to Success phone conference with one of our teachers will have enrollment priority status. We look forward to working with you and your student to build their Pathway to Success!

Our mission at Coweta High School is to graduate students who are College and Career ready. To encourage this, all juniors will be taking the ACT free of charge on April 3. On April 2, we will be hosting Chad Cargill's ACT Workshop. Mr. Cargill is an ACT Guru who took the test a number of times, raising his score by 14 points. More information on how to sign up for this event will be coming soon. There is a \$10 participation fee for the workshop.

Sincerely,

Gary Ellis
