

## Accelerated Reader Theme 2017-2018

Northwest's Accelerated Reader theme for 2017-2018 is Western. Students will be recognized for each station and location they meet. Western icons will be placed on bulletin boards outside each classroom.

Station points are accumulated by test points or books read depending on your grade. Students making their goals will celebrate on the designated dates with a culminating assembly and celebration at years end. Top readers per grade level will be recognized at each Tiger Cub assembly and the top readers for the year will be recognized during the AR assembly in May. The date of that assembly will be determined by the number of snow days we make up in May.
