

Sports Physicals for the 2017-2018 School Year

Central States Orthopedics will be conducting sports physicals, for the 2017-2018 school year, at the **Coweta Intermediate High School** (14699 S. 305th E. Ave.) **on Thursday, May 11th**.

The cost of the physical is \$15. Proceeds will go to the Coweta Athletic Department to assist in various projects for the sports program and its student athletes.

Each athlete is required to have a physical before they can participate in any sport.

This is a great opportunity to support Coweta Athletics, as well as getting the required sports physical out of the way.
