Message from the Principal:

Dear Parents,

The Coweta Junior High School has just completed a great year. Student test scores from the 2012-2013 school year are above the state average in all areas. 2012-2013 7th graders (this year 8th graders) were at least 70% "proficient & above" in all subject areas. I am pleased with the success that our students displayed academically in the 2012-2013 school year. The effort that Coweta has placed on critical thinking and proper academic alignment has been a big reason for our success.

Each year we analyze our successes and failures and try to determine what needs to be done to consolidate gains and to improve weaknesses. To pursue our goal of excellence in our school, we know we want to continue to emphasize these areas. 1) High achievement in basic skills. 2) Excellent school climate, including attendance, discipline, and beautification. 3) Instructional leadership. 4) Parent involvement. 5) Staff development.

We know our students will continue to benefit greatly from our efforts. The quality of instruction in this district has never been higher, and yet there is still room to improve.

Your involvement, as a parent or patron, in our school is needed and appreciated. Compare your school's report card with that of other schools. Become a partner in educating your child with us.

When you study the student performance the dark area is our school and the white area is the state average. Remember, these are scores from 2012-2013 so if your child was a 7th grader last year the scores are from tests taken during that time period. The tests taken this year will not be available until July of this year.

Thank you for your assistance this year,

Scott Kempenich, Principal
Dave Wineinger, Assistant Principal
