

COWETA PUBLIC SCHOOLS

Independent District No. 17

Mary Parks, Director of Special Education

CHILD FIND NOTICE

Child find is a component of Individuals with Disabilities Education Act (IDEA) and is an ongoing process of locating, identifying, and evaluating children who may need special education and related services. All children with disabilities residing in Coweta Public School District, whether attending public or private schools, should be identified, located and evaluated. This service is provided to children with suspected disabilities, free of charge. If you would like more information on Child Find, contact Coweta Public Schools' Department of Special Education, (918) 486-6103.

This notice is to inform parents of the child identification location, screening and evaluation activities to be conducted by Coweta Public Schools.

Parents:

If you have preschool children ages 3-5 who are suspected of having disabilities which may require special education and related services, please contact the Department of Special Education at Coweta Public Schools. Appropriate screening can be scheduled to determine if an evaluation is needed to determine eligibility for services.

For children enrolled in K-12th grades, a referral for screening and evaluation should be initiated through the child's school counselor.
